ABOUT SCHOOL -

The renowned and oldest educational organization of Jabalpur city – Hitkarini Sabha was established in year 1868 and has been providing education to students of rural and urban areas to create sincere and better citizens. To accomplish this goal, Hitkarini Sabha has set up schools in various residential areas of the city, as per requirement.

Following this sequence, a middle school under the name of Hitkarini Govindganj was established in the Milloniganj area on 16th August 1948. Later it was upgraded to Higher Secondary level. Currently the school is running successfully under the name '**Hitkarini Higher Secondary School, Govindganj**'. It is spread over a large campus offering large play grounds and an environment conducive for learning. The school building have been upgraded and renovated, however, the original architectural style has been maintained. The original building was built by the family of Raja Gokuldas, and his son Dewas Bahadur Jeewandas and nephew Deewan Bahadur Vallabhdas, as is evident from the ceremonial stone on the building. Late Pandit Durga Prasad Awasthi was the first principal of the school.

Hitkarini School, Govindganj has been progressing ahead along with the other academic institutions of Hitkarini Sabha. Its alumni are well placed in various fields including politics, social service, teaching, journalism, etc. Keeping with the societal needs of the time, an English medium school, Hitkarini Children Academy, Govindganj has been established in 2008 with modern curriculum including an updated computer education curriculum. Under the successful management of Mrs. Jyostana Dixit the school is upgrading every year. It is a self financed school.

Online classes

During the COVID – 19 Pandemic too all our schools classes were operational online from 01/04/2020 to till date. The classes were organized through the means of online platforms like Zoom App and WhatsApp Group along with providing audio, video and notes for the respective subjects to the students. In these classes a total of 55% students were able to connect with their students studies. All the examinations and result declaration too was conducted successfully through the online platforms. The scheduled Parents – Teacher Meets were organized with the help of Zoom App Meetings. Offline students visited to the school to collect the notes & assignments from their subject teachers.
